1540-1-5-.01 INTRODUCTION

These rules implement the provisions of the T.C.A. Title 49, Chapter 7, Part 1 in Public Chapter 1095 of the 1990 Public Acts and Title 8, Chapter 50, Part 2 in Public Chapter 939 of the 1992 Public Acts, Public Chapters 125 and 267 of 1997 Public Acts (hereinafter called "the Act"). The Act enables children under the age of twenty-four (24) whose parent is employed as a full-time licensed teacher in any public school in Tennessee or as a full-time employee of the State of Tennessee to receive a twenty-five percent (25%) discount on tuition at any state operated institution of higher learning. Children of retired state employees or whose parent died while employed full-time or was killed on the job or in the line of duty as a full-time state employee are also eligible for a twenty-five percent (25%) discount.

1540-1-5-.02 GENERAL

(1) Definitions. As used in these regulations (Chapter 1540-1.5):

- (a) "child . . . under the age of twenty four" for purposes of this Act refers to dependent children of certified public school teachers or employees of the state of Tennessee, as herein defined, using the following criteria:
 1. The teacher's or state employee's natural children or legally adopted children who are twenty-three years of age or under.
 2. The teacher's or state employee's stepchildren who are twenty-three years of age or under and living with the teacher or state employee in a parent/child relationship.
 3. Any other individuals who are twenty-three years of age or under and living in a parent/child relationship with the teacher or state employee, such as children or deceased parents who are being raised by a grandparent who is employed as a teacher or state employee.

- (c) "full-time" teachers are school employees whose position requires them to be on the job on school days throughout the school year, at least the number of hours the Local Education Agency is in session.
"full-time" supervisors, principals, superintendents and other personnel who are licensed by the Tennessee Department of Education are those whose current assignments, regardless of their classification, require his or her services each working day at least a number of hours equal to the number of hours of a regular working day.

- (f) "tuition" for purposes of this Act refers to undergraduate maintenance fees or area school program fees.

It is an enrollment or registration fee and is calculated based on the number of student credit hours for which the student enrolls. (2) Eligible children may enroll in any number of courses up to and including full-time study.

(3) Fee discounts are only available for courses classified as undergraduate as defined by the institution.

A change in employment status or the child's age after the first day of classes will affect eligibility for the discount only for subsequent terms.

(5) Fee discounts will not be retroactive for prior terms. Fee discounts are available only by application and should be approved prior to the beginning of the term for which a discount is being sought.

(6) The fee discount described herein may not be used in conjunction with any other fee waiver or discount program. No eligible child shall receive a discount greater than twenty-five percent (25%) for any one term under the provisions of the programs described herein.
